The RW&P office is located off the 13th Street Exit, 22 Eastbound. **We are in building E.** There is also another entrance off Bushkill Drive, for those who live in the Easton area.

Please note, you cannot access our office from the door on 13th Street. You must enter from the parking lot.

Video clips of directions are located under the “Silk Mill” highlight on the RW&P Instagram account: **@renewwellness** . These seem to prove to be most helpful in finding our office.

You can park anywhere in the complex and walk to the office, though there are several parking spots located

right outside the office. All parking is free.
